PARKING LOT MEMO

As you may have experienced the school parking lot can be a challenge, especially in the morning ...

- Parents are rushing and not pulling all the way into the parking lot to give space for the other parents behind them.
- Parents are blocking parents in by cutting in front of them.
- Parents talking to the teachers or other parents for an extended period of time while other parents are waiting to get in or out of the parking lot.

PARKING LOT RULES

1. Enter from the North side of the parking lot.
2. Pull all the way up into the parking lot heading out South of the driveway.
3. Keep all communication to a minimum with teachers and parents. (If you are going to be awhile, you may park on the street or in the corner parking lot on Manchester and Inglewood Ave).
4. Please be mindful and courteous to parents and teachers who are trying to get to work on time.
