## Reminder: No hair beads or jewelry policy.

-Summer is coming and kids like to wear braids with beads. This can be a choking hazard for young children. This policy is for the safety and well-being of all children. Children can swallow beads and/or place them in their ears and nose. If your child comes to school with beads, we will ask you to remove them before the child can be admitted to school. Wearing jewelry such as necklaces, hoop earrings, and bracelets can also be dangerous. Small fingers can easily fit into hoop earrings and necklaces and be torn off or damaged. We don't want any special jewelry to be lost or damaged. We ask that you respect and adhere to this policy. If you have any questions or concerns, please contact Ms. Applewhite.
