Parent Corner:

We want to wish all our mothers a **Happy Mother's Day!!!** This is a day to celebrate the hard work and dedication a mother shows for her family. Of the many people who add value to our lives, a mother is undoubtedly the most special. Whether it is our own mom or someone you look up to, the basic thought behind Mother's Day is expressing yourself to that someone who has been with you throughout your life. That is why we celebrate you all! Enjoy your day.

Week Of the Young Child!

Teacher Appreciation Week May 11th - May 15th

As we think of all the wonderful things that our teachers do daily for your child we would like to acknowledge their efforts and commitment. So now, it is your chance to show your appreciation. Each day (Monday-Thursday) you may bring a token of your appreciation. In addition, parents are being asked to donate \$10 (per family) by Friday, May 15th to provide a special lunch for the teachers.

Information on projects will be passed out by May 6th

Reminder: Drop-Off Policy-Please remember that no children will be admitted after 10:00AM. We follow a structured daily routine that supports children's development. Late arrivals disrupt learning activities, lunch schedules, and nap times. As a learning academy, we value and prioritize consistency and structure to ensure every child has the best possible experience. Thank you for your cooperation and understanding.
